Experience

The New York Times 2020–2021

Opinion Design Fellow / New York, NY

Worked on a team to design and code custom web articles, art direct a daily Editorial print page, create and commission illustrations, and develop and implement promotional strategy for social media and Opinion Audio.

Isometric 2017–2020

Design Director / New York, NY

Worked on and lead a team to develop visual identities, typefaces, spreads, and exhibition design for a variety of clients including The Cooper Hewitt, Google, and The Center for Reproductive Rights.

Press Press 2017–

Freelance Designer & Developer / Baltimore, MD

Designed the visual identity and user experience, in addition to front end development for digital Press Press projects including Sentiments and the Toolkit for Cooperative, Collective, and Collaborative Cultural Work.
